ORDER GRANTING STAY

## Respondents have requested a stay of NTSB Order No. EA-5404, served August 15, 2008, pending disposition of a petition for review of that order in the United States Court of Appeals pursuant to Section 1006 of the Federal Aviation Act (49 U.S.C. § 14110) and the Board's Rules of Practice (49 C.F.R. § 821.64). The Administrator does not oppose respondents' request. It appears that good cause exists for granting the stay.

## ACCORDINGLY, IT IS ORDERED THAT:

The effective date of NTSB Order No. EA-5404 is stayed until the expiration of the 60-day period within which a petition for

<sup>&</sup>lt;sup>1</sup> NTSB Order No. EA-5404 concluded that respondents had violated certain provisions of the federal aviation regulations and ordered suspension of respondents' commercial pilot certificates for a 90-day period.

review may be filed with the United States Court of Appeals; however, if such a petition is filed, the stay will continue in effect until the court enters judgment on the petition.
